

Mr. Colby:

1. DD/S asked for an appointment to give you a dry run of the briefing the Office of Logistics will give to the National Capital Planning Commission re our new garage. I have put this on your calendar for 10:00 on Friday, 4 August, in the DD/S Conference Room.

2. You have two lunches scheduled for next week -- OPSER officers and the Executive Officers Group. Would you like to try one of those on your luncheon list also? (I am [redacted] from the Agency; [redacted] from outside). If so, here \_\_\_\_\_ or at the Cosmos Club \_\_\_\_\_? ST
